

## 2024 Sponsorship Request Form

The Fulton County Visitors Bureau (FCVB) has established an event sponsorship program. Criteria calls for the event or attraction to be in Fulton County, Ohio. The Sponsorship Selection Committee will be looking for events that encourage visitation and tourism awareness in Fulton County. The number of awards given is determined yearly by an allotted budget, which is 20% of the annual revenue and will fluctuate from year to year. If your event receives an award one year, it is not guaranteed being awarded in future years. The Committee will rank each Sponsorship Request Form and award points. Awarded requests will have a high ranking. Please have the request form in 30 or more days prior to your event. Awards may be given from \$100 up to \$2,500 per event.
